

Amendments to the Claims:

This listing of claims will replace all prior versions, and listings of claims in the application:

Listing of Claims:

Claims 1-5: (canceled)

6. (currently amended) A transport container receptacle, comprising:

four vertical outer sides; and

means disposed on said outer sides, wherein said means are adapted to engage in like means of an adjacent transport container receptacle, and wherein said means serve to position said transport container receptacle in a defined manner relative to at least one adjacent transport container receptacle and to horizontally interlock said transport containers receptacles, and wherein said means are disposed only in corner regions of said transport container.

7. (canceled)

8. (currently amended) A transport container receptacle according to claim 6 7, wherein said means are U-shaped, hook-shaped, or bent-round guide rails.

9. (currently amended) A transport container receptacle according to claim 6, wherein said means are provided with upper sections that are beveled in a manner sloping inwardly from the outside.

10. (currently amended) A transport container receptacle according to claim 6, wherein at least a portion of said means is provided with lower sections that are beveled in a manner sloping inwardly from the outside and/or outwardly from the inside.
